Bulls were not semen tested prior to the sale as advertised due to time constraints. All bulls will be tested prior to delivery (starting the end of March) and fully guaranteed to be breeders. Scrotal measurements were taken 12.21.17 and any bull under Vet breeding score evaluation guidelines were thrown out.

Cattle will not go thru ring and will available from Tuesday afternoon 1.30.18 through sale day for visual evaluation at Aberdeen Livestock.

Open heifers become the property of buyer at completion of the sale unless arrangements have been made.

Free delivery to surrounding states and we will work with cheapest delivery possible for others.

Lunch will start at 11:00!
